

Helegance

Boost your clinic's brand value with specialised, in-demand services.

Become **World's First
Generation of **Homoeopathic**
Cosmetologists & Trichologists**

Did you know?

Most untouched cases are of the skin and hair.

Skin & Hair cases are now 60% of OPD in many clinics – and doctors trained in this field are earning in gold, that includes the future you.

Our course exactly helps get that untouched gold mine to the Homoeopathic doctors.

Curious to what Helegance offers to future Homoeopathic Cosmetologist and Trichologist?

Doctor, here are the clear outcomes of our course:

- Treat Conditions like Psoriasis, Seborrheic dermatitis, Melasma, Vitiligo etc.
- Learn NEW NON-INVASIVE Homoeopathic therapies ready to incorporate in your clinic.
- Get-readymade treatment protocols.
- Generate patients x5 faster
- Build a Profitable Structured Income.

**This is not a theory course – we train
you for real clinic results**

The most important QUESTION
what is the ROI
(Return On Investment)?

The structured protocol ready to use
treatment and therapies can be set up
in the clinic with the least investment
and time period, and generates a
steady income flow.

HOW MUCH?

Set up your clinic in 2 WEEKS
Earn x2 times investment in 2 MONTHS

Treating just 5 patients in a month
generate 20K

You recover the course fee
in just 10 cases

By Homoeopaths, for Homoeopaths
Ready to redefine beauty and healing

HEAL WITH ELEGANCE

Helegance

Helegance Institute of
Homoeopathic Cosmetology &
Trichology

Crafted from 27 years of clinical experience and research, Helegance brings together a unique blend of modern aesthetic procedures and newly formulated homoeopathic treatments and formulations – integrating science, artistry, and holistic healing

Dr. Jyothi Kannan brings over 27 years of clinical excellence in the field of homoeopathy, with a distinguished record of treating rare and complex skin and hair conditions including vitiligo, psoriasis, seborrheic dermatitis, eczema, premature ageing, baldness, hair fall etc. Her approach integrates the principles of individualization and holistic healing, crafting customised homoeopathic formulations tailored to each patient's unique constitution.

As a pioneer in aesthetic homoeopathy, Dr. Jyothi Kannan has successfully bridged the gap between internal healing and external rejuvenation—delivering results that are both scientifically grounded and aesthetically transformative. Her dedication to advancing Homoeopathic Cosmetology and Trichology has positioned Helegance as a trusted center for natural, results-driven care.

FOUNDER

Dr Jyothi Kannan

ABOUT US

At Helegance, we go beyond aesthetics to bring a scientific and healing dimension to beauty. For the first time in the world, we present a completely formulated system of Homoeopathic Cosmetology and Trichology — not just customised, but built on authentic homoeopathic principles.

Our approach integrates advanced homoeopathic-botanical formulations, customised homoeopathic cosmetics, and 27 years of clinically proven case experience in treating diverse skin and hair conditions. This includes the development of innovative homoeopathic treatments such as Psor Clear, Fur Fur, Vita Care etc designed through years of research and successful case outcomes.

Helegance stands as a pioneering force in holistic aesthetic medicine, offering a seamless blend of external rejuvenation and internal healing for conditions like psoriasis, vitiligo, melasma, pigmentation, hair fall, baldness. and many more

Helegance

Why Follow, When You Can Lead the Future of Homoeopathy?

What if your clinic could become a center for advanced, non-invasive skin and hair solutions backed by 27 years of clinical mastery?

This is not just another cosmetology course.

This is the world's one-of-a-kind, fully homoeopathic cosmetology & trichology program – developed from 27 years of clinical practice, 18 years of successful treatments, and thousands of real-life transformations.

We give you what no other course in the world gives:

- Homoeopathic-based Skin & Hair Protocols
- Customized Homoeopathic Serums & Solutions
- Practical Training with Clinical Cases
- A system you can instantly apply in your clinic
- A way to grow your practice without losing your identity as a homoeopath

Become one of the pioneers. Not after others accept it, but before the world discovers it.
